Testimonials

Jess Gilroy

I was so warmly welcomed to Woodgrove. From your early visit to me that day in my chaos to the unexpected but overwhelmingly welcome lunch hamper from Jane and her crew and all the other Team-Woodgrove who arrived individually within hours and the next couple of days to ensure that my shrunken world was simply the best it could be and still IS.

Craig and Jenny Lancaster

Jenny and I thoroughly enjoyed our meeting with you. We appreciated the friendly but professional and business-like manner in which you met with us and showed us the units ...the same applied to your honest responses to various questions we asked of you concerning various aspects of life at Woodgrove... We enjoyed the time we spent with you as well as the enthusiasm with which you conducted the meeting and thank you for the generous time you allocated to us.

Janet Mill

I would just like to thank you from the bottom of my heart for all the care, support and love you have shown my dad during his extended stay at Respite. It was extremely humbling to see how the Carers looked after him, always smiling, always willing to give a helping hand. What a happy bunch!

Thank you to all of you for your nursing expertise and advice, there was not one day when one felt that dad was not taken care of or not taken seriously.
